GLOBAL PARIS - PROFILING THE REGION'S INTERNATIONAL COMPETITIVENESS AND CONNECTIONS

Joseph; Marchio, Nick; Leal Trujillo, Jesu

2016/11

Abstract

This report, developed as part of the Global Cities Initiative, a joint project of Brookings and JPMorgan Chase, provides a framework for leaders in the Paris region to sustain the region's prosperity and to better understand its competitive position in the global economy. The report offers information and insights on Paris's global economic position by benchmarking the region against eight global peer regions based on economic size, wealth, productivity, industrial structure, and competitiveness.
